

## Domremy College Parents & Friends Association

To Whom It May Concern

On Friday 31st August 2007, Domremy College will be holding a "Trivia & Games Night Extraordinaire" at Burwood R.S.L. to raise funds for the air-conditioning of the school library and to assist in the purchasing of more electronic smart boards for the classrooms.

We rely greatly on the generosity of companies and businesses such as yours to make our efforts successful.

The College would greatly appreciate any assistance you could offer us by way of the following:-

- Goods or vouchers suitable as prizes
- Samples of your product or promotional items
- Discontinued stock lines or stock with damaged packaging

We realize that the current economic climate must see many demands made upon you, but we hope that you can give some consideration to the high school students of our community.

Should you be in a position to help us, the College will ensure that all donations and sponsors are advertised prominently on the Games Night, and will acknowledge your generosity in our promotional literature.

Should you wish to send donations directly to the College please mark them "Attention Games Night Committee" or phone any member of the Games Committee:-

With thanks in anticipation of your assistance.

Yours Sincerely,
